Attorney Matthew Fortado of Akron; ethical troll, repeat offender

The state of Ohio provided Matthew Fortado with a law license in 1977 after he graduated from Cornell University School of Law.

The Akron Bar Association found Matty guilty of the following misconduct, all of which took place while he was employed as a part time Sylvania City Prosecutor.

- Engaged in intimate sexual relationship with client
- Prohibited sexual relationship began after attorney/client relationship began

As one would suspect, this isn't Matty's First Bite at the Attorney Misfit Apple Tree. He previously received a complimentary 1-year suspension for engaging in a variety of misconduct.

As a direct consequence of his misconduct, the Patron Saints for Attorney Misfits sitting on the Ohio Supreme Court punished Matty by gifting him with a complimentary 90-day suspension of his law license.

As we speak (ca. March 2019), Matty practices at 1700 West Market Street in Akron, Ohio.

Street in Akron, Ohio.

I would like to repeat that I tried for years to get an attorney I must have called over 30 litigators in the State of Ohio, and the only 4 attorneys that said they would help me only wanted to take advantage of my trust fund money. and protect Buchanan and each other until I was totally broke by October 2022 over ~~10~~ \$107,000 between Buchanan, Hank Meyer and most recently Robert McNamee and Matthew Fortado. let me tell you about these two scam artists who scammed me out of \$9,000 in eight months. and made sure they protected their "friends" Sean Buchanan and his Paralegal "Mel" Hunter (Emelton Hunter) and Sean Zeleah. these two men actually work together to rip people like me (and you) off but Robert McNamee has NO
