

Here is a copy of
The \$5,000 receipt
I paid to Attorney Sean
Buchan and to his
Law Firm Slater & Zurz
for this case which he
Deliberately Sabotaged

and He Never Returned
my \$5,000

Just like attorney Hank
Meyer and

Buchanan and Meyer

Never gave me an Itemized
List of their "Services Rendered"

also, the Date of Receipts

is exactly 2 years

so the Statute of

Limitations would Run
OUT

along with his Legal Malpractice

and he only "Corrected" The
over charge when I wrote
the Supreme Court. Disciplinary Counsel
and im going blind

The entire time in

Pain and getting
Physically abused
by ORW staff
and suffering

Deliberate indifference
and Medical Malpractice

to my Serious

Medical and Mental

Health needs

and he stole a near 7,000
