Attorney Matthew Fortado of Akron; ethical troll, repeat offender

The state of Ohio provided Matthew Fortado with a law license in 1977 after he graduated from Cornell University School of Law.

The Akron Bar Association found Matty guilty of the following misconduct, all of which took place while he was employed as a part time Sylvania City Prosecutor.

- **Engaged in intimate sexual relationship with client**
- **Prohibited sexual relationship began after attorney/client relationship began**

As one would suspect, this isn't Matty's First Bite at the Attorney Misfit Apple Tree. He previously received a complimentary 1-year suspension for engaging in a variety of misconduct.

As a direct consequence of his misconduct, ~~the Patron Saints for Attorney Misfits sitting on the Ohio Supreme Court~~ punished Matty by gifting him with a complimentary 90-day suspension of his law license.

As we speak (ca. March 2019), Matty practices at 1700 West Market Street in Akron, Ohio.

After all this I attempted
to hire another attorney
to get an expert witness
(an eye doctor) BUT
unbelievably NO Attorney
would help me or even hear
my case and I still had
over \$90,000 to pay
them. I was Desperate by
now. Some Attorney should
have taken this seriously
on Contingency but even
my money only got me
taken advantage of
by Dirty Attorneys
like Attorney Hank
Meyer, Attorney Hank
Meyer was a Second
lawyer I tried to hire
I was so Desperate to file
a legal Malpractice suit against
attorney Sean Buchanan
that actually gave Hank Meyer
\$5,000 he kept saying he
would help me and to send
him \$5,000, by now I had
only one year to sue
Sean Buchanan, from the
date he withdrew from my
case. On March 28, 2021
for legal Malpractice

See Case: **Bartlett v. Cuyahoga Cty.** 2018
U.S. Dist. Lexis 85864

Attorney Hank Meyer Stole my \$5000 I sent him and he took off and I never heard from him again

Attorney Hank Meyers office is located at:
135 Portage Trail P.O. Box 374
Cuyahoga Falls, Ohio 44222
he used me for \$5,000

Sean Buchanan has actually screwed over another client of his named ADAM BARTLETT
Mr Bartlett hired Buchanan for a lawsuit against a medical provider at a jail
and Buchanan DID the same thing to Bartlett as he did to me.

He DID nothing he let the judgements go directly to summary judgement
He never got any evidence or even answered any court judgements
and he let this guys case get dismissed.
He even stole his money and attorney fees.

So Buchanan did the exact thing to me.
DID nothing, let the case get dismissed.
Never did any discovery, never answered any motions by the Defendants
and then STOLE Adam Bartlett's money

Sean Buchanan

I would like to repeat that I tried
for years to get an attorney
I must have called over
30 litigators in the State of Ohio,
and the only 4 or 5 attorneys
that said they would help me
only wanted to take advantage
of my trust fund money.
and protect Buchanan and
each other until I was
totally broke by October 2022
over a ~~lot~~ "lot", 000
between Buchanan, Hank Meyer
and most recently Robert
McNamara and Matthew
Fortado. let me tell you
about these two scam
artists who scammed me
out of \$89,000
in eight months,
and made sure they protected
their "friends" Sean Buchanan
and his paralegal "Mel" Hunter
(Emeldor Hunter) and
Sanny Zedlar.
these two men actually work
together to rip people like me
(and you) off
but Robert McNamara has NO
